Part 1. Declaration

- ☐ I declare that this submission is all my own work, and has not been submitted for another qualification;
- ☐ I declare that I have read the Handbook section on the use of AI tools and plagiarism
- ☐ I declare that AI tools have not been inappropriately used in the preparation of this submission, and in a way that contravenes University policy. I have recorded appropriately any permitted uses of AI tools below

By submitting this form, I confirm that I provide this information truthfully and in accordance with the AI and Assessment policy set out in the Handbook.

Part 2: AI tools used

If you have made use of AI in a way that requires declaration below, please detail the tools that you have used and, where possible, its version (e.g. ChatGPT version 5.5, Claude Fable 5 etc.):

Part 3: Record of AI usage

Please refer to the 'AI and Assessment Policy' in your Handbook, which explains how you are permitted to use AI tools, and what you do and do not need to detail here. Please use the space below to record, as appropriate, how you have used AI tools in the preparation of your assessment:
